

KAINOS UNIT, UCW

The Kainos Unit of UCW enjoyed another active year of service and fellowship. Close friendships have developed as we have worked together – cleaning the kitchen and the rooms used by the Sunday School; arranging for coffee, tea, and treats to be available for congregational fellowship after church; selling hot dogs at the Flea Market; and helping with other groups' fundraising activities when needed – and also as we have relaxed at members' country homes enjoying outdoor activities and delicious meals.

Our fall luncheon in October and St. Patrick's luncheon in March have become traditions that seemed to be enjoyed by all who attend. They provide not only revenue for our Unit to donate to worthy causes, but also opportunities for members of our congregation to enjoy the fellowship of a meal together.

In April many of our members attended a UCW rally at St. James Church and with the help of Colleen Tinkham, we were able to provide some entertainment (although most of us are not ready to join the Choir yet!)

Thanks to the support we have received, we have been able to continue sponsoring our foster child in Tanzania and to make a donation of \$600.00 to our church for local expenses.
