REMINDER: Worship this Sunday is at Wesley United Church.

No Scents Makes Good Sense! A friendly reminder that members of our congregation are sensitive to scented products. Reactions can vary from not being able to breathe to severe headaches. Thank you for helping.

Congratulations to Evan! Evan is going to be the associate music director for the world premiere of "The Hockey Sweater: A Musical" at the Segal Centre in Montreal. Evan will be in Montreal from September 18th to November 18th to rehearse with the cast for the production that runs from October 19th to November 12th. The Ministry and Personnel Committee in consultation with Evan, the choir and the Church Council are working on a replacement for Evan during this period. Once finalized we will share the details with the congregation. We wish Evan all the best on this exciting new venture. Our prayers and best wishes go with you Evan.

Bag to School: Each year, Bridges to Hope provides curriculum based school supplies and school bags to North East Avalon students from kindergarten to high school and Adult Basic Education. The filled backpacks are distributed to community members through service organizations, Community Centres, and Bridges to Hope. Many of these students would not be able to put together a full

complement of school supplies without the Bag to School program. Last year, Bridges to Hope provided over 750 school bags to students who otherwise would not have been adequately equipped to start a new school year. Being ready to start in September allows all students to feel good about education and learning. This year, Bridges to Hope is once again reaching out to our faith based community with a request for specific school supplies and are asking for donations of **Scientific Calculators**. We are hoping you can help us to help students get a good start in 2017.
