### **October is Breast Cancer Awareness Month**

The risk of developing breast cancer increases with age and it's most common in women between the ages of 50 to 69. But, men can also develop breast cancer. You can reduce your risk by limiting your alcohol intake, being a non-smoker, avoiding second hand smoke and maintaining a healthy body weight. Learn more at [itsmylife.cancer.ca](http://itsmylife.cancer.ca)

### **Memorial Donations**

In loving memory of George & Irma Allen from daughters Diane Caughie & Barbara Stone

For the next number of weeks we will look back 25 years (information taken from the 1992 Annual Report). Some musical notes: The Choir membership in 1992 stood at 20. During the summer months of 1992, the pipe organ was dismantled and cleaned; however, it was done in such a way that it could be used for all services. The Men's Service Club donated handbells which were dedicated in June, with the subsequent formation of a handbell choir to occur. Ki Adams resigned from his position as Organist and Choir Director after being with us for 10 years. Patricia Young was hired in November to replace him. It was noted in the report that the Choir chose, practiced, and sang an anthem each Sunday during the two months that we were without a Choir director.
